

Thanks Roseann Krane! confirmed

Thanks for filling out our form to check for tour availability/pricing for 02/12/2014 arriving on the Ryndam Holland America! We will try to respond to your information request as soon as possible -- please allow us a little extra time, as internet connectivity can be a problem on Roatan!

IMPORTANT NOTE: If you don't immediately receive a copy of this Form Submission in your email, please check your SPAM folder! This is especially important for "Gmail.com" accounts... Without asking your permission first, Gmail now automatically filters any information-filled emails I send as "Promotions" so you will no longer be able to see them in your "Primary" inbox. This means that unless you change your settings in Gmail, you won't be seeing any of the info I send to your inbox.

Here's what was sent:

Name: Roseann Krane

**Cruise Ship
Name/Resort Name:** Ryndam Holland America

Contact Email: rkrane@yahoo.com

Requested Tour Date: 02/12/2014

**City/State/Province

op1: Victor's Monkey Business - A Unique Animal Attraction

op11: Half Moon Bay/West End Village

Comments: We are there from 8 a.m. to 5 p.m. We'd like at least a half

day or less of a tour - anything cultural or historic or maybe snorkeling if nothing else. A private tour with two others would be great. I really don't know which of the above covers what we'd like to see.

Let's go Back Home

Thankyou Roseann!

I have reserved a Best of Roatan private tour guide for your group of 2 guests for Feb 12 and we can't wait to share our Roatan with you guys!

There is no prepayment or deposit for your tour (payment will be in US CASH ONLY once you get to the island.)

When your ship docks, we are able to start your private tour whenever YOU are ready...just meet us at the designated location when you are ready to begin your tour day. Although you are welcome to start you tour when you like, we politely ask that you arrive at the meeting within 2 hours of your ship's arrival. Otherwise, your guide will be released for other tours/guests. If you're running late, borrow a phone from a local working in one of the shops on the dock and give me a call 504-9910-5217. If you're going to cancel -- please don't NO SHOW, borrow a phone from a local working in one of the shops on the dock and give me a call 504-9910-5217

Roatan has two Cruise Ship Terminals -- Please check below for meeting locations for each.

Port of Roatan Cruise Terminal (Navigator of the Seas, Costa Luminosa): As you exit your ship, look for the Bodden Tours kiosk (it will have a large VICTOR BODDEN sign and will be in position #1 on the dock.) One of our representatives will greet you at the kiosk, locate your name on our list and introduce you to your guide for the day.

Mahogany Bay Cruise Center (**Carnival Liberty, HAL Ryndam**): As you exit your ship, customers on Local Independent Tours will be required by Carnival Corporation to exit their dock area through the gates and walk over the hill to the main road. Once outside the gates and over the hill, look for our representatives holding VICTOR BODDEN signs. One of our representatives will greet you, locate your name on our list and introduce you to your guide for the day. At the end of your tour day, we ARE able to drop you off to the entrance of the dock...so you will only have to do this long walk one-way, when you first arrive. You can view the hill behind the red-roofed building here<http://www.boddentours.com/images/mahoganybayhill.jpg> and print a map from the Mahogany Bay ship docks to our location here<http://boddentours.com/images/maptobodden.gif>

++ The Port Manager of the Mahogany Bay Cruise Center has negotiated with the on-site Taxi Association to provide transportation, if required, to the Independent Tours meeting area over the hill. The negotiated flat-rate for this taxi service is \$2 per person. Please see the Taxi Dispatcher (in the Green Mahogany Bay shirt) to arrange for your group to utilize this service -- tell them that you need the \$2 per person transport to Victor Bodden Tours on the other side of the hill. Or, if you'd rather, you can still walk over the hill (approximately 350 yards) to the designated area. ++

Be advised, many other independent tour companies, as well as the Carnival Corporation excursion department, want your tour-business, too! We pride ourselves on our tours, and are happy that you have selected Bodden Tours as your hosts during your Roatan port stop! Be prepared, as you may be approached by representatives of many of these other tour companies. Although we appreciate you supporting our Local Independent Tour Operators, we ask that you tell them your tour is already set, and head toward the Bodden Tours representatives at the locations outlined above.

NOTE: Recently, someone has been impersonating our Bodden Tours dispatcher on the Carnival dock property, before you leave for "the walk." This person/persons is NOT affiliated with our company so be very careful! Here are images of several of the "uniforms" worn by unsanctioned individuals, although they look "official"...BEWARE: www.boddentours.com/images/falseguide.jpg and www.boddentours.com/images/falseguide2.jpg People wearing these shirts DO NOT represent my company, or the companies of any "true" independent tour guides! They have been known to say they work for Bodden Tours, or will tell you that the monkeys or ziplines (or another aspect of your tour) has been cancelled. Again, these people DO NOT work for our company, or any other independent tour company -- they are "poachers", trying to steal your business and money. Once outside the fenced-in Mahogany Bay complex, you can be sure that you are speaking to a Bodden Tours representative by their uniform (Bodden Tours placard sign, Bodden Tours polo shirt, etc.)

During your tour day, we will take you by the Bodden Tours office where you will pay for your private Best of Roatan tour in US \$ cash. If you have chosen to visit the Mayan Jungle Canopy and/or Victor's Monkey Business, you will pay for these at our offices in US \$ cash, too!

We aim to make Roatan everyone's favorite stop on their cruise and can't wait to see you. I will send you a "Roatan Tip Sheet" several weeks before your cruise with some information on your visit to Roatan. Thanks again!
